**PAC Parking Lot 12PM-3PM**

Thank you to our partners:

Mindy Dupee &  
DuPage Animal Hospital

*The idea for this event came out of a project advisory group brain storming session between key stakeholders of D95 administrators, teachers, students, parents, community leaders, and elected officials. The purpose of this family friendly event is to celebrate the diverse cultures in District 95, as represented and inspired by the 62 languages spoken at home by D95 families. THANK YOU to the volunteers who are representing the various cultures we have here today. While not all encompassing, we hope to inspire others to partner with the Foundation in order to grow this event in the future. THANK YOU to all the volunteers who made this event possible today!*
